Honorable Commissioner of Patents and Trademarks  
Washington, D. C. 20231  
Attn: Examiner George R. Koch III

Responsive to the document dated 8/30/2005, NOTICE OF NON-COMPLIANT AMENDMENT to the First Office action dated 10/20/2004, it is requested that the corrections in the original response to office action AND THE FIRST NOTICE OF NON-COMPLIANT AMENDMENT be accepted with the attached additional submission of the corrections sent out in the claims and set out in substitute pages of CLAIM 1 DELETE (FIRST AMENDED) AND INSERT (CURRENTLY AMENDED) IN PLACE THEREOF AND IN CLAIM 2 AFTER 2. INSERT (ORIGINAL). Applicant's attorney believes with this slight modification, the application will now be found allowable to proceed to issue.

Applicant's attorney sincerely expresses his gratitude to the examiner for the work in pointing out the lack of clarity and insufficient antecedent basis for some of the limitations in the claims. The finding of patentable matter is most appreciated.

Applicant's attorney anticipates that all of the issues are resolved but if something needs clarification, he holds himself ready to timely respond to a phone call or other communication.

Upon consideration of the above remarks, the applicant respectfully believes that the application will be found in condition for review and such review is respectfully solicited.

The original response was filed within the three months allowed and thus applicant's attorney believes no fees are due for that response. However, if any fees are due for this additional response made within the fourth month for the original date of the Office Action, the Commissioner is hereby authorized to charge payment of the following fees associated with this communication or credit any overpayment to Deposit Account No. 08-0207. A duplicate copy of this sheet is enclosed.

- ☒ Any additional fees required by 37 CFR due upon the filing of this response.
- ☒ Any processing fees under 37 CFR.

Respectfully submitted,

John E. Halamka
